TYLER KWESKIN

(661) 857-0055 • tylerkweskin@gmail.com • Tyler Kweskin | LinkedIn

Senior at Rutgers University studying Computer Science, graduating in 3 years, with experience in AI, Cyber Security, Data Structures, Data Management, Robotic Process Automation (RPA), Process Improvement, Teaching, and Game Design.

CAREER HIGHLIGHTS

- **Technical Proficiencies** include Java, Java Script, C#, Swift, HTML, JSON, Snowflake, DBT, Informatica, Microsoft Power Automate, Automation Anywhere, Visual Basic for Applications (VBA), Microsoft SQL Server, SQL, Data Build Tool (DBT), Git, GitHub, GDScript, Godot, Unity, Python, R, C, x86 Assembly, Haskell, and MySQL.
- **Interned for the United States Treasury Department** reviewing cyber-threat, vulnerability, regulatory and operational materials in support of the Office of Cybersecurity & Critical Infrastructure Protection (OCCIP).
- **Interned for Banc of California**, the 3rd largest bank with headquarters in California, focusing on data-driven projects and leveraging workflow automation solutions.
- **Learning Assistant for Rutger University** teaching students Introduction to Computer Science and Data Structures.
- **Founder & President** of Laguna Beach High School Computer Science Club with 25 active members who participated in local competitions, created coding projects and tutored Boys & Girls Club of Irvine, California.

PROFESSIONAL EXPERIENCE

LEARNING ASSISTANT, Introduction to Computer Science — **September 2026 – May 2027**
Rutgers University, Computer Science Department (Credential ID TBD) — New Brunswick, New Jersey

- Mentor and support student's mastery of Computer Science basics by facilitating 3 weekly recitations
- Review student work product and grade assignments, and advise on understanding and improvements

INTERN, OFFICE OF CYBERSECRUITY & CRITICAL INFISTRUCTURE PROTECTION — **June 2026 – August 2026**
United States Treasury Department — Washington, D.C.

- Researched, drafted, and edited cybersecurity reports for distribution from the Office of Cybersecurity & Critical Infrastructure Protection (OCCIP) to financial industry nationwide
- Authored an AI Security Spotlight Report and presented findings virtually to 340+ financial institution representatives nationwide, then later presented the report at a FBIIC-FSSCC joint briefing

LEARNING ASSISTANT, Data Structures — **September 2025 – December 2025**
Rutgers University, Computer Science Department (Credential ID 159720259) — New Brunswick, New Jersey

- Mentor and support student's mastery of Data Structures by facilitating 3 weekly recitations
- Review student work product and grade assignments, and advise on understanding and improvements

ENTERPRISE DATA INFORMATION TECHNOLOGY INTERN — **June 2025 – August 2025**
Banc of California, *the 3rd largest bank with headquarters in California* — Irvine, California

- Lead special projects creating workflow processes and improving efficiency
- Collaborated with colleagues on data-driven projects leveraging technological solutions

UNITY DEVELOPER INTERN — **June 2023 – August 2023**
Laguna Beach Unified School District — Laguna Beach, California

- Developed Unity game with the IC 2020 games for the Science Department to increase learning for students

TEACHER'S AIDE / IN-CLASS TUTOR, Computer Science — **August 2021 – May 2024**
Laguna Beach Unified School District — Laguna Beach, California

- Provided in-class support to teacher, and worked with students to increase understanding of computer science

EDUCATION

Rutgers University, New Brunswick, New Jersey • Bachelor of Science, Computer Science • **Graduation May 2027**

AWARDS & ACHIEVEMENTS

Superintendent's Honor Roll (2020-2023) • Laguna Beach High School Computer Science Team Award (2023): Presented by the Orange County Department of Education's Regional Competition • Career Technical Education (CTE) Systems Programming Certification (2020-2023) • Scored 5 on AP Computer Science Principles (2024) • Scored 4 on AP Macro Economics (2024) • Scored 4 on AP US Government (2024) • Scored 4 on AP Calculus AB (2023) • Scored 4 on AP Computer Science A (2022)
